MINNESOTA MATERNITY HOMES COALITION

MISSION

The **MN Maternity Home Coalition** strives to **CONNECT** women centered services and resources that **SUPPORT** and **EMPOWER** families to make positive life-affirming choices. We are creating a Culture of Life to **TRANSFORM** our community.

The Mission of the **Maternity Homes** are to serve as a temporary Christian-based home and program for pregnant women and their baby in need to gain support and independence as we work to build a Culture of LIFE.

VISION

To move women experiencing housing instability due to pregnancy to self-sufficiency while promoting healthy relationships, education, adoption and/or positive parenting. MN Maternity Home Coalition also supports a strong Christian spiritual faith life, a good self-image and empowerment for women in Minnesota and Northwestern Wisconsin.

PHILOSOPHY

We believe in the inherent dignity of every human being beginning with natural conception and ending with natural death. Every life is unique, holds potential and deserves celebration regardless of the circumstances of conception, status or health. Abortion interrupts natural biological and physiological processes with a profound negative impact on a woman's mind, body and spirit. Natural fertility care is key to empowerment of women and enhancement of a healthy family life, in each woman's innate ability to nourish life. Our bodies were created beautifully and deserve respect, understanding and care.
