A pregnancy resource center and maternity home in Minnesota.

Prayer is Powerful

Pray as we share the love of God and hope of the Gospel with our community.

Pray that we can offer support to individuals before they reach an abortion clinic.

Pray for fathers to take responsibility for their children.

Pray that individuals will choose life for their unborn children.

Pray our educational classes will help families in the community.

Pray for the Amazing Grace Home so that our residents can feel safe and loved as they prepare for their new future.

Pray for our Board and staff to stay focused on the truth of God's Word.
